Sub: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Launch of New Advertising Technology Platform “OPSIS Ads”

Dear Sir/Madam,

Pursuant to Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI LODR Regulations”), we wish to inform you that Adcounty Media India Limited has launched its new proprietary mobile-first performance advertising and revenue optimisation platform titled “OPSIS Ads.”

The launch of OPSIS Ads is a strategic business initiative aimed at strengthening the Company’s ad-technology portfolio, enhancing its product offerings, expanding global footprint, and improving long-term revenue visibility. The platform leverages advanced AI and ML technologies for performance-driven digital advertising solutions.

The details as required under Para B of Part A of Schedule III of the SEBI LODR Regulations are enclosed herewith as Annexure – A and Press Release is attached as Annexure B.

Kindly take the above information on record.

Thanking you,

Yours faithfully,
For Adcounty Media India Limited

Garima Malik

PRESS RELEASE

Adcounty Media India Limited Launches “OPSIS Ads”, a Mobile-First Performance Advertising Platform

Jaipur, India-December 08,2025: Adcounty Media India Limited announced the launch of its new proprietary mobile-first performance advertising and revenue optimisation platform “**OPSIS Ads.**” The platform has been developed as part of the Company’s strategy to strengthen its ad-technology portfolio and expand its presence in global digital advertising markets.

OPSIS Ads is an AI and ML-driven performance advertising platform designed to support mobile user acquisition, campaign optimisation, and monetisation for advertisers and app developers. The platform enables real-time optimisation, intelligent audience targeting, unified cross-platform tracking, and transparent performance reporting.

Key capabilities of OPSIS Ads include:

- AI/ML-based real-time campaign optimisation
- Intelligent audience targeting and mobile-first ad delivery
- Unified tracking across iOS, Android, and Web
- Advanced analytics with transparent reporting
- Enterprise-grade fraud detection and brand-safe advertising
- Integration with leading Mobile Measurement Partners and retargeting support

Commenting on the launch, **Mr. Aditya Jangid, Chairman and Managing Director of Adcounty Media India Limited** said,

“The introduction of OPSIS Ads aligns with the Company’s long-term growth strategy in the global ad-technology space and is expected to enhance its digital advertising offerings and international reach.”

The Company continues to focus on building scalable technology products to support advertisers with performance-driven and transparent advertising solutions.

About Adcounty Media India Limited
